

## MISSIONS FOCUS

### **ANDRIES & SUNETTE SCHWARTZ**

IDP REFUGEES - [INTERNALLY DISPLACED PEOPLE]  
NORTHERN MOZAMBIQUE

The three-year home-grown Islamic insurgency in the Northern Mocambican Province of Cabo Delgado, has already displaced about 100 000 people (it may be much more), and resulted in the deaths of at least 1000 people.

This is causing significant consternation, both in and outside the country, inasmuch as this rebellion continues to escalate, with insurgents continuing to launch more than twenty attacks per month.

These attacks are growing in sophistication and daring, suggesting that some foreign assistance could be involved.

It is against this backdrop of increased insurgencies that missionaries, Andries & Sunette Schwartz, working under the auspices of World Outreach, are reaching out to IDP (Internally Displaced People) refugees in the Cabo Delgado Province.

Andries reports that: *"A growing ministry to refugees was not in our ministry plan for 2020. But, as the crisis north of Macomia where the refugees are located, continues to worsen and refugees are continuously making their way to Nampula in Northern Mozambique, we found the Lord opening the door to reach out to these refugees. God's providence in this regard is unmistakable."*

Given this worsening crisis in one of our neighbouring countries, we must pray for:

- Those travelling with much needed provisions to be used to relieve refugees in dire circumstances.
- Those who have been responsible for transporting Megavoice Audio Bible units for distribution and use among the refugees.
- The safety of missionaries like Andries & Sunette Schwartz and the Woodrow family working in Nampula.
- The spread of the Gospel despite the dangerous conditions being created by the insurgents operating in Cabo Delgado.
- The restoration of peace in Northern Mozambique
