It is amazing how the Lord works sometimes! We often have to try not to rely on ourselves, but rely on God and have faith that He will work it out in his perfect timing! After seven years of praying and thinking about adopting and another two years of the actual process, *Emma Joy Venter* is finally a fully fledged member of our family! We still have to get a birth certificate and a passport and then we can start thinking about travel plans, as we are hoping to come to South Africa in November for a few months of Home Assignment. Please keep praying that the birth certificate can be processed without any problems and without taking too long. It has typically been a challenge for other families who have adopted.

LIG Kinderbediening

"Auntie, how can God have good plans for me when I'm suffering so much?" That is how our mom and baby group's conversation started one morning. After long interaction and testimonies, the group of young mothers came out with the truth as it is written in Jeremiah. God has really good plans for them and also for their babies ... despite their earthly circumstances. Their love and care for one another is astounding. They help and serve each other. They care for one another like the believers in the early congregations. I went to encourage them and as usual they encouraged me. May their example also inspire you. Their words that stuck with me were that they are actually grateful for the hardships because it keeps them close to the Lord...

Augustine Bookroom

The shelves are loaded with pearls and treasures for any seeking and hungry soul. We have one desire and aim, to equip Christians for their journey through this world and to provide "tools" for all spiritual leaders, from Pastors to Parents. It is our prayer that God will bring many more people and that each and every soul coming through the doors, will be blessed with what he or she needs.

BAPTIST CONFESSION OF FAITH OF 1689

WORSHIP AND THE LORD'S DAY CHAPTER 22.5.

The reading of the Scriptures, the preaching and hearing of the Word of God, the teaching and admonishing of one another in psalms and hymns and spiritual songs, singing with gratitude in our hearts to the Lord, as well as the administration of baptism and the Lord's Supper, are all parts of the worship of God. These are to be performed in obedience to him, with understanding, faith, reverence and godly fear. Also to be used on special occasions in a holy and reverent manner, are times of solemn humiliation, with fasting and thanksgiving.
